

Aristocrat's Oasis 360™ System Replaces Competitive Product at Ocean Downs Casino

LAS VEGAS (April 30, 2018) – Aristocrat has installed its multiple award-winning Oasis 360™ system at Ocean Downs Casino in Berlin, Maryland, replacing an existing competitive product. This latest agreement continues to strengthen the partnership between Aristocrat and Churchill Downs and marks the fifth property within the enterprise utilizing the Oasis 360 solution.

As part of the Oasis 360 system installation, Aristocrat provided Ocean Downs with all-new, in-game nCompass™ 6.2 units; Oasis Core, which includes advanced accounting, marketing, and operational modules; Oasis Trackit™ for sophisticated table management; and the Oasis Bonusing modules nRich™ and Play & Win™.

“We have been very pleased with the performance of Aristocrat’s Oasis 360 system at our other properties, and now we are eager to implement the system at Ocean Downs,” said Director of Casino Technology for Churchill Downs Incorporated Russ Stokes. “We have found Oasis 360 to be a very strong solution for us, both from a management perspective and from a marketing/intelligence perspective.”

Aristocrat Vice President of System Sales Clark Warren said, “We are grateful to Churchill Downs Incorporated for their ongoing trust and support of our Oasis 360 system. Casinos of all sizes across North America continue to achieve success using the system’s enterprise-wide functionality to drive efficiencies and increase excitement on the casino floor.”

Aristocrat’s Oasis 360™ system is one of the most widely used casino management systems in North America, and comprises essential solutions for the modern casino, ranging from accounting to player loyalty to brand connectivity.
